Please note that the Committee is shown at the top center of each page. Only the initials of Committees are given, e.g., CBO--Congressional Budget Office, HAC--House Appropriations Committee. House Committees are shown first followed by Senate Committees. Names are listed alphabetically. Following each persons name you will note his social security number, the Agency security file number and the clearances he has. A nine following the individuals name indicates that security approval has been completed for the clearances, but the individual has not yet been doctriated. After he has been doctriated the clearances will be reflected by the number three. Please note that the information is SECRET and handle it accordingly.
